

## How to get to our warehouse

### 1. Coming from the A 9 motorway

Leave the A 9 at Leipzig-West (look out for Höffner's furniture store) and follow the signs towards Leipzig. Coming along the Merseburger Strasse and past the Rückmarsdorf trading estate, you will reach the sign marking the city boundary. After passing this, turn right at the next traffic lights into the Schomburgkstrasse (which has a D-I-Y store and petrol station on the right hand side). At the next traffic lights turn left into the Plautstrasse. A few hundred metres along (look for the SAAB car showrooms) turn left again into the Reineckestrasse. The entrance to our warehouse is about 30 metres along on the right hand side.

### 2. Coming from Naumburg / Weissenfels

Coming from the B 87 (or from the A 9 or the A 38) from Naumburg / Weissenfels via Lützen and Markranstädt towards Leipzig, you should initially follow the signs to the city centre ("Zentrum"). You will pass the new housing area of Leipzig-Grünau and then come to a trading estate (look out for the Jaguar car showrooms and McDonald's on the right and a petrol station on the left). At the next set of traffic lights turn left into the Plautstrasse. A few hundred metres along (look for the SAAB car showrooms) turn right into the Reineckestrasse. The entrance to our warehouse is about 30 metres along on the right hand side.

### 3. Coming from the A 14 / B 2

Leave the A 14 at Leipzig-Mitte and initially take the B 2 towards the city centre. Then follow the signs to the A 9, in the direction of Weissenfels and the Central Stadium ("Zentralstadion"). When you pass the stadium on your right as you go along the Jahnallee, you are on the B 87 / B 181 and approaching the Merseburger or Lützner Strasse from the opposite direction to that described in 1 or 2 above.
